

Digital Retinal Exam

The Doctor's of Family EyeCare Clinic and Kane and Figler Optometry offer to you the opportunity to improve your basic examination through the most advanced digital screening instrument. ***This instrument increases the doctor's diagnostic detection from 57.4% to 88.4%.*** If you find your ocular health paramount we ADVISE you to choose the retinal exam.

If you have the following conditions then the retinal exam is billable to your medical insurance:

Diabetes, macular degeneration, floaters, retinal scars, taking medication for lupus, hypertension, oxygen therapy as a child, glaucoma, multiple sclerosis and other existing retinal disease. If you do not have this condition the test simply costs \$35.00 All of these can lead to loss of vision or blindness.
